No. 7739.—The following Bill about to be introduced in the Federal Council is published for general information :

A BILL  
intituled

An Enactment to amend "The Public Officers Guarantee Fund Enactment, 1913."

IT is hereby enacted by the Rulers of the Federated Malay States in Council as follows :

Short title,  
commencement  
and construc-  
tion.

1. (i) This Enactment may be cited as "The Public Officers Guarantee Fund Enactment, 1913, Amendment Enactment, 1923," and shall come into force upon the publication thereof in the *Gazette*.

(ii) This Enactment shall be read and construed as one with "The Public Officers Guarantee Fund Enactment, 1913," hereinafter called the "principal Enactment" and any copies of the principal Enactment printed after the commencement of this Enactment may be printed with the amendments made by this Enactment.

Repeal of  
section 14 and  
second  
schedule.  
Amendment of  
section 19.

2. Section 14 of the principal Enactment and the second schedule to the principal Enactment are repealed.

3. (i) Sub-section (i) of section 19 of the principal Enactment is repealed and the following is substituted therefor :

"19. (i) When it comes to the notice of the head of a Department that any officer in his Department through personal negligence, *mala fides* or inefficiency has not duly accounted for or has not duly delivered to the person entitled to receive it any property in his charge as a Government servant which it is the duty of such officer to account for or deliver such head of a Department shall submit a statement of the facts to the Auditor-General and the Auditor-General shall certify the amount (if any) in which the officer appears to him to have defaulted. The amount so certified or a part thereof equal to the amount for which such officer is secured by the Fund shall be deemed to be due to the Government from the Fund on account of the default of such officer.

(ii) Notification of the Auditor-General's certificate shall be given to the Directors and when practicable to the officer alleged to be in default, and the Directors or the officer concerned may within one month of the receipt of such notification appeal against the amount found due in the certificate."

(ii) Sub-section (ii) of section 19 of the principal Enactment is re-numbered as sub-section (iii).

Substituted  
section 21.

4. Section 21 of the principal Enactment is repealed and the following is substituted therefor :

Recovery from  
officer in  
default.

"21. When any amount is found to be due from an officer as provided by this Enactment the Government may by civil action recover such amount in full from the officer concerned or his representatives, and the Directors may similarly recover the proportion of the amount for which the officer was secured by the Fund : but no part of the amount found due can be so recovered by both the Government and the Directors."

Amendment of  
section 23.

5. Section 23 of the principal Enactment is amended by deleting the words "act, default or negligence" in line 3 and substituting therefor the words "personal neglect, *mala fides* or inefficiency".

OBJECTS AND REASONS.

The object of this Bill is to remove doubts as to the interpretation of the principal Enactment by defining the circumstances under which an officer may be certified to be in default. Clauses 3 and 5 are intended to effect this. Clause 4 is introduced to make it clear that the Directors cannot recover from the officer more than the amount for which he is secured and that this amount cannot be recovered twice over. Clause 2 abolishes the personal bond hitherto furnished by the officer. This is considered to be unnecessary and inconsistent with the rest of the Enactment.

KUALA LUMPUR,  
31st July, 1923.

W. S. GIBSON,  
Legal Adviser, F.M.S.

3. Town Hall rent: A statement, showing revenue and expenditure in connection with the Town Hall for the last three years and rentals of the Halls controlled by the Singapore and Penang Municipalities, is submitted.

After considering these figures, the Board decided there was no reason to change the present rates charged for the use of the Town Hall.

4. Improvement in quality of cattle: The Board considers this a very important matter.

The Chairman intimates that a Committee has been formed to go into the question of improvement in the quality of cattle.

Mr. Talalla suggests that in addition to those comprising the Committee a person thoroughly conversant with local condition and who has been a breeder of local cattle for some time be invited to join the Committee, and moves that Mr. O. La Brooy be co-opted to the Committee.

10. Questions:

*Question.*

1. There are plenty of decrepits begging all over the town, nowadays; what steps have been taken by the Government to accommodate them?

2. Have the Board the power to control sign boards? The one of the Miyazaki is a very large one; it almost covers up the light of the street lamp.

Some time ago I asked the Board whether any step has been taken to prevent further flood of certain part of Kuala Lumpur, and then Chairman Mr. Elles promised to get a report from the Executive Engineer. Mr. Keng Hooi has asked the Executive Engineer to furnish the Board with a monthly report, but so far the Executive Engineer has not furnished the Board with any report. May I ask what is the delay?

4. Would it not be possible to have the drains flushed every night?

5. Building contractors used to place planks against the wall or in front of shop-houses. This practice is very dangerous for the planks may fall down and hurt some one, especially to those children who like to play hide and seek in such part.

6. The public wants to know why the night-soil buckets have no disinfectants and the Public Works Department coolies are allowed to clean the night-soil buckets at the public places.

12. A letter from the Head Master of the Victoria Institution to Mr. Talalla regarding obstruction of road by hawkers in front of the School is read. It is decided to write to the Chief Police Officer requesting him to keep the road way free of the alleged obstructionists and that the School authorities be asked to allow a number of selected hawkers inside the School grounds.
